Description
In the countryside outside Statos-Agios Fotios, this 2,342 m² field lies among other farmland and undeveloped parcels. The village centre is a short drive away, as is the village of Lapithiou. Its agricultural zoning suits farming or planting.

Along one side, the land fronts a footpath. The Limassol–Paphos motorway runs through the wider region. This is a sizeable agricultural field in a setting given over to farmland and open land.
