Description
Set a short way inland from the sea in Mazotos, Larnaca, this field covers 12,654 m². The ground is flat across an irregular outline. Its agricultural zoning suits farming or planting. The land has no direct road access.

Undeveloped parcels and some residential developments surround the field. The village centre is a short drive away, as are the neighbouring villages of Anafotida and Aplanta. This is a large stretch of level agricultural land in Mazotos.
