Description

Discover a captivating opportunity in Laneia, Limassol! This isn't just a 1,839 sqm share of a residential field; it's your chance to craft a dream home in a truly enchanting community. Imagine waking up to the serene beauty of the Cypriot countryside, with the heart of the village just 195 meters away.

With its regular shape and gently inclined surface, this plot is a fantastic canvas for architectural creativity, allowing you to design a home that perfectly embraces its natural setting. You'll enjoy the convenience of public road frontage along its southern and southeastern boundaries, promising easy access. While one road is still a future vision, the potential here is immense. With a 15% building density, you have ample space to bring your ideal living space to life. This is more than just land; it's an invitation to a peaceful, fulfilling lifestyle in Laneia.
