Description

Strategic Residential Corner Plot in Agia Paraskevi – Strategic Investment for Family Living

Whether you are looking to build a custom sanctuary for your family or a smart investor seeking a premium land asset in the established Agia Paraskevi area of Lakatameia, this 538sqm residential corner plot offers the perfect blank canvas. Buying land in this high-demand neighborhood provides the ultimate freedom to bring a modern architectural vision to life, benefited by a strategic corner position on a cul-de-sac that guarantees long-term value and maximum privacy. This site is a high-value residential opportunity specifically suited for those who prioritize privacy, space, and building a custom home in a serene, newly developed urban environment.

Family Living and Long-term Investment

Boasting a prime position within the desirable Ka8 residential planning zone, this property is primed for immediate development. With a building density of 60% and 35% coverage ratio, the property offers fantastic versatility: it is ideally suited for a high-value investment, specifically a spacious bespoke family residence with a preferred south-eastern orientation. Emphasize privacy and space with this plot, which features an extraordinary 57-meter total street frontage across three sides and is located in a quiet neighborhood characterized by brand-new modern houses. The zoning allows for a clear path for those looking to capitalize on the demand for quality family housing and maximize ROI for developers in a flourishing residential hub. This "Black Friday" opportunity represents a strategic acquisition at a price significantly below current market valuations.
