Description

Residential Field in Avgorou Community with G&P Lazarou Estate Agents

G&P Lazarou Estate Agents presents a prime residential field in the peaceful Avgorou community, Famagusta district. Located approximately 290 meters southeast of the community's Technical School and 350 meters northwest of the Primary School, this property offers a central yet quiet location. The field has a triangular shape and an inclined surface, ideal for creative residential development. It borders a public registered road along its southern and eastern boundaries, offering 130 meters of road frontage for easy access. The property falls within the Residential Zone Kα6, with a 90% building density, offering great potential for constructing your ideal home or an investment property.
