

For Sale, Land, Plot, Nicosia, Agios Andreas, 655m²

For Sale : **€ 445,000**

Description
Defining your place in the most elegant residential enclave of the capital starts with finding a site that offers true tranquility and architectural grace. This residential plot, tucked away in the heart of Agios Andreas, is an exceptional choice for those who prioritize Family Living and Long-term Investment. Located in a neighborhood renowned for its quiet beauty, diplomatic character, and tree-lined streets, this property provides the perfect foundation for a custom home that will stand as a private sanctuary in Nicosia's most coveted district.

Family Living and Long-term Investment

The property falls within the Kα7 residential planning zone, offering a building density of 80% and a coverage factor of 45%. These parameters are perfectly balanced to support the construction of a generous two-story villa with a maximum height of 10 meters. The density allows for a significant buildable area, ensuring your home can feature spacious living quarters while still preserving over half of the plot for private courtyards, landscaped gardens, or a swimming pool. In a district where land is a finite and precious commodity, securing a site with such clean development potential and available title deeds ensures your project remains a secure and solid asset for 3 decades of experience.
