Description

Investment Opportunity: Commercial building for sale located in the Historical Center of Limassol, Tzami Tzentit area. A state-of-the-art commercial space that seamlessly integrates cutting-edge design with environmental consciousness. Offering a unique blend of luxury, functionality, and sustainability this commercial development is not just a workspace but a statement of sophistication and environmental responsibility. It's an ideal locale for discerning businesses looking to thrive in a space that's both modern and mindful of its heritage.

Making use of a Corten steel façade, a testament to thoughtful design and durability. Its most striking feature, the double-height ground floor lobby, welcomes visitors with a spacious and elegant entrance that showcases sleek vertical lighting and high ceilings, enhancing the open, airy feel.

The interior continues the theme of refined modernity, incorporating minimalist designs with warm wooden accents and polished concrete, complemented by touches of greenery that promote a tranquil atmosphere.

The expansive windows ensure ample natural light, which dynamically interacts with the internal space to create a lively yet peaceful environment. Functional and versatile, features multiple entrances to accommodate a range of business operations, with a rooftop garden that provides a serene escape for leisure and corporate events. Sustainability is a cornerstone of the design, evident in the inclusion of photovoltaic panels to reduce energy consumption.

Combining innovative, eco-friendly design with a deep respect for its historical surroundings, not only serves the needs of modern businesses but also contributes significantly to the architectural and environmental landscape of Old Limassol.
