Description
Small Development and High-Value Living

The Foundation of Your Future. This residential plot for sale in the Tseri area of Nicosia represents a premier opportunity for those seeking to build a custom residence or a pair of modern family homes in one of the capital's most rapidly connecting suburban enclaves. Spanning 516sqm and falling within the Kα6 planning zone, the property provides a building density of 90% and a 50% coverage factor, offering the ideal technical specifications for a sophisticated two-storey development that balances internal living space with private outdoor areas. In March 2026, Tseri has emerged as a top-tier destination for homebuyers, following the landmark delivery of the 30.7 million euro Ippokratous-Argyroupoleos-Tseriou road network earlier this month. This major project has drastically improved daily life with four-lane connectivity and wide pavements, seamlessly linking the district to the Nicosia Ring Road. The local real estate market in 2026 is further enhanced by the historic tax reform enacted on January 1st, which included the full abolition of stamp duty and the doubling of the Capital Gains Tax exemption for primary residences to 150,000 euro. This plot's balanced building factors and its location within a high-growth infrastructure corridor ensure a secure and appreciating asset, a standard of smart investment we have guided for 3 decades of experience.
