Description

Prime Residential Plot in Pefkou – Strategic Investment for Family Living

Whether you are looking to build a custom sanctuary for your family or a smart investor seeking a premium land asset in the serene Pefkou area, this 534sqm residential building plot offers the perfect blank canvas. Buying land in this tranquil and highly accessible neighborhood provides the ultimate freedom to bring a modern architectural vision to life, benefited by a level surface and an expansive road frontage that guarantees long-term value. This site is a high-value residential opportunity specifically suited for those who prioritize privacy, space, and building a custom home in a peaceful urban environment.

Family Living and Long-term Investment

Boasting a prime position within the desirable Ka8 residential planning zone, this property is primed for immediate development planning. With a building density of 60% and 35% coverage ratio, the property offers fantastic versatility: it is ideally suited for a high-value investment, specifically a spacious bespoke family residence designed to maximize the unique triangular shape of the plot. Emphasize privacy and space with this property, which features an impressive 42-meter road frontage, allowing for grand architectural entrances and significant curb appeal. The zoning allows for a clear path for those looking to capitalize on the high demand for quality family housing and maximize ROI for developers in a flourishing residential hub.
