Description

Build the foundation of your future with this exceptional residential land opportunity located in a quiet and highly desirable area of Strovos, just off Archangelou Michael Avenue. This property is where your vision takes shape, offering a serene and high-value environment for those who prioritize privacy, space, and a refined quality of life. Situated in a neighborhood characterized by modern residences and a peaceful atmosphere, this site provides a unique opportunity to create a private sanctuary or a small-scale luxury development in one of Nicosia's most stable residential enclaves.

Family Living and Long-term Investment

Falling within the Kα8 residential zone, this asset is a prime choice for those focusing on family living and long-term investment. With a building density of 60% and a coverage factor of 35%, the land emphasizes privacy and the creation of custom homes with generous outdoor space. These specifications allow for the construction of elegant residences across 2 floors with a maximum height of 10 metres, ensuring a low-density atmosphere that preserves the character of the neighborhood. Investing in a plot with such favorable factors in a well-established area of Strovos ensures that your project remains a secure and solid asset for 3 decades of experience.
