Description

Build the foundation of your future with this exceptional residential land located in one of the most prestigious and highly sought-after sectors of Engomi. This property is where your vision takes shape, offering a high-yield environment for those who prioritize strategic urban living, proximity to major institutions, and a refined lifestyle. Positioned in a vibrant community known for its premium amenities, this site provides a unique opportunity to create a multi-storey residential project or a collection of luxury apartments in a neighborhood that remains a top choice for professionals and investors alike.

High-Yield Development and Strategic Acquisition

Falling within the Kα5 residential zone, this asset is a prime choice for high-yield development and strategic investment. With a substantial building density coefficient of 100% and a coverage factor of 50%, the land offers exceptional potential for the construction of a contemporary apartment complex or a high-end small development. These specifications allow for a robust architectural design of up to 3 floors and 13.5 metres in height, maximizing floor area while maintaining the high standards of the surrounding community. Securing a plot with such favorable building factors in a central, well-known municipality ensures that your project remains a secure and solid asset for 3 decades of experience.
