Description

Small Development and High-Value Living

This residential plot in Kaimakli offers a rare combination of scenic tranquility and significant financial advantage. Positioned exceptionally close to the Kaimakli Railway Station Linear Park, the property provides a unique lifestyle defined by green walking paths and historical charm. Falling within the Kα4 planning zone with a 120% building density, the site is perfectly suited for a high-quality three-storey apartment building or a spacious bespoke family home. A major highlight of this specific location is its eligibility for the 2026 updated government housing scheme, which offers subsidies of up to €55,000 for properties near the Buffer Zone. This provides a substantial boost to the project's viability, ensuring a secure and high-value investment backed by 3 decades of experience.

Description Beautiful residential plot very close to the railway park of Kaimakli. Suitable for a three-storey building or a family home. The plot qualifies for the government subsidy scheme of up to €55,000 due to its proximity to the Buffer Zone. The land features a flat surface and a prime location within a revitalizing urban pocket, providing an efficient foundation for a modern construction project in a neighborhood that values heritage and community.
