Description

The Foundation of Your Future is built upon securing land that offers both natural beauty and significant investment upside. This under-division land in Agia Marina Xyliatou represents an exceptional opportunity for those who prioritize family living and a high-quality lifestyle. With its elevated position offering panoramic views of the Troodos mountains, this property provides the perfect canvas for a custom home or a small residential project in a tranquil environment.

Family Living and Long-Term Investment

The property falls within the H2 residential zone, which is highly regarded for those seeking a balance between spacious living and capital growth. With a building density of 90% and a coverage factor of 50%, the zoning supports the development of comfortable two-storey houses with generous outdoor areas. This makes it an ideal choice for families looking for a retreat from the city or investors focused on high-value living. The ongoing division process further enhances the land's readiness for development, ensuring that your acquisition remains a secure and solid asset for over 3 decades of experience.
