Description
High-Yield Residential Corner Plot in Lakatameia – Strategic Acquisition for High-Value Living

Whether you are looking to build a custom sanctuary for your family or a smart investor seeking a premium land asset in an established area of Lakatameia, this residential corner building plot offers the perfect blank canvas. Buying land in this high-demand and highly accessible neighborhood provides the ultimate freedom to bring a modern architectural vision to life, benefited by a strategic corner location that guarantees long-term value and enhanced architectural flexibility. This site is a high-yield investment opportunity specifically suited for those who prioritize strategic acquisition and high-value residential development in a serene urban environment.

Strategic Development and Yield Potential

Boasting a prime position within the desirable Kα5 residential planning zone, this property is primed for immediate construction. With a 100% building density and 50% coverage ratio, the land offers fantastic versatility: it is ideally suited for a high-yield development, specifically a sophisticated three-story project or a small-scale apartment complex. The zoning allows for a clear path for those looking to capitalize on the high demand for quality housing and maximize yield potential in a high-value urban hub. The corner positioning ensures maximum visibility and accessibility, while the structural allowance for 3 floors up to a height of 13.5 meters ensures a well-proportioned and attractive residential design.
