Description
Elite Residential Corner Plots in Logos Area – A Long-Term Investment for Family Living

Whether you are looking to build a custom sanctuary for your family or a smart investor seeking a land asset in one of Nicosia's most elite residential pockets, these two unique corner plots in the Logos area of Strovolos offer the perfect blank canvas. Buying land in this prestigious and highly sought-after neighborhood provides the ultimate freedom to bring your architectural vision to life, surrounded by high-end villas and a community that guarantees long-term value. This site is a high-value residential opportunity specifically suited for those who prioritize privacy, space, and the security of a prestigious address.

Ideal for Custom Family Living

Boasting a prime corner position in a serene and upscale environment, this property is perfectly suited for the development of dream family homes. With a 50% building density and 35% coverage ratio under the Ka8γ planning zone, the focus here is on quality of life and creating a personalized family residence. The zoning ensures an environment of low-density housing, making it an ideal choice for those looking for plots of land for sale in Strovolos that offer a sense of seclusion and ample space for private gardens and outdoor living areas, consistent with the luxury standards of the Logos area.
