Description

Build the foundation of your future with this prime residential plot of 531 sqm, located in a peaceful and highly desirable neighborhood in Aglantzia. This property is where your vision takes shape, offering a serene and high-value environment for those who prioritize privacy, space, and building a custom home. Positioned in a central yet quiet area, this site provides a rare opportunity to create a private sanctuary in a community that consistently maintains its premium status and residential appeal.

Family Living and Long-term Investment

Falling within the Kα6 residential zone, this asset is a prime choice for those focusing on family living and long-term investment. With a building density of 90% and a coverage factor of 50%, the land emphasizes a balanced living environment that allows for custom homes with generous proportions and ample outdoor space. These specifications allow for the construction of an elegant residence across 2 floors with a maximum height of 10 metres, ensuring a low-density atmosphere that preserves the peaceful character of the area. Investing in a plot with such favorable factors and a ready title deed ensures that your project remains a secure and solid asset for 3 decades of experience.
