Description
High-Yield Residential Plot in Lakatameia – Strategic Acquisition for High-Value Living

Whether you are looking to build a custom sanctuary for your family or a smart investor seeking a premium land asset in a rapidly growing sector, this under-division building plot in Lakatameia offers the perfect blank canvas. Buying land in this newly developed and highly accessible neighborhood provides the ultimate freedom to bring a modern architectural vision to life, benefited by a strategic position near major retail hubs that guarantees long-term value. This site is a high-value residential opportunity specifically suited for those who prioritize modern infrastructure, space, and building a custom home in a fresh urban environment.

Balanced Development and Yield Potential

Boasting a prime position within the desirable Ka6 residential planning zone, this property is primed for immediate development planning. With a 90% building density and 50% coverage ratio, the property offers fantastic versatility: it is ideally suited for a high-yield development, specifically a spacious family residence or a sophisticated two-story home. The zoning allows for a clear path for those looking to capitalize on the high demand for quality housing in newly established areas to maximize yield potential in a high-value hub. The plot is part of a modern division, ensuring contemporary standards for road access and utility connectivity.

Property Type: Under-Division Residential Plot
