Description
Crafting Your Vision on Exceptional Ground begins with selecting a location that offers both serenity and a solid future. This residential plot in Agia Varvara is an ideal choice for those who prioritize family living and a long-term investment. With its favorable proportions and peaceful setting, this land provides the perfect canvas for a custom home where space and privacy are the main priorities.

Family Living and Long-Term Investment

The property falls within the Kα8 residential zone, which is specifically tailored for high-quality, low-density living. With a building density of 60% and a coverage factor of 35%, the zoning encourages the development of spacious villas with ample room for gardens, pools, and private outdoor living areas. This balance of density ensures the neighborhood maintains its quiet, upscale character, protecting the value of your home over time. Investing in such a well-regulated area ensures that your residence remains a secure and solid asset for over 3 decades of experience.
