Description

Scenic Residential Plot in Tranquil Ineia Village – Ideal for Countryside Living.
Perched in the serene hillside of Ineia village, this residential field offers a rare chance to create a home or retreat in one of Paphos District's most peaceful settings. Located just 950 meters northwest of the village center and only 110 meters from the Ineia-Kato Arodes road, the property combines privacy with convenience. Though landlocked and with an inclined surface, its elevated position provides stunning countryside views and a sense of seclusion that is increasingly rare. Encompassing a generous area within Residential Zone Kα10β, it enjoys a 30% building density, ideal for a permanent residence, a holiday home, or a future investment project. The site's natural slope opens the door for creative architectural designs that blend beautifully with the landscape. Just a short distance from the nearest registered road, this plot is filled with potential for those seeking a peaceful lifestyle infused with the charm of rural Cyprus.
