Description
High-Value Living and Long-Term Investment

This 531 sqm residential plot in Lythrodontas represents a premier opportunity for those seeking to build a custom residence in one of Nicosia's most sought-after suburban retreats. The property offers a balanced building density of 90% and a 50% coverage factor, perfectly suited for a spacious two-storey home that maximizes both indoor living space and outdoor garden areas. In March 2026, Lythrodontas has seen a significant surge in interest from professionals who prioritize a "wellness-first" lifestyle, as the village provides a serene escape just 28 minutes from the capital's administrative core. This plot's central position within the village ensures that all essential modern conveniences are within immediate reach, a standard of smart investment we have guided for 3 decades of experience.
