For Sale : **€ 225,000**

Description
Build the foundation of your future with this exceptional residential plot under division, located in the prestigious suburb of Engomi. This property is where your vision takes shape, offering a serene and high-value environment for those who prioritize privacy, space, and a refined quality of life. Surrounded by exclusive villas and a significant diplomatic presence, this plot provides a unique opportunity to create a private sanctuary in one of Nicosia’s most modern and sought-after residential enclaves.

Family Living and Long-term Investment

Falling within the Kα8 residential planning zone, this asset is a prime choice for individuals focused on family living and long-term investment. With a building density of 60% and a coverage factor of 35%, the plot emphasizes a lower-density development that ensures a spacious and harmonious lifestyle. These specifications allow for the construction of a generous two-story residence with ample room for private gardens and outdoor living areas, tailored specifically to your family's needs. The strategic location in a quiet, highly developed municipality ensures that your project remains a centerpiece of the community and a solid asset for 3 decades of experience.
