Description

Prime Residential Field for Sale in Trimiklini, Limassol District

Discover this serene residential field in Trimiklini Community, Limassol District, Cyprus—located just 1.5 km northeast of the community center and 1.2 km southeast of Saittas Dam. Featuring an irregular shape with a sloping surface, it abuts a public green area on its northeastern border, offering natural tranquility and scenic views for an eco-friendly development. Falling within Residential Zone H6α with 25% building density, it's perfect for a modest, sustainable home or low-density project in a peaceful mountain village setting. Trimiklini provides authentic Cypriot charm with proximity to supermarkets, schools, pharmacies, and restaurants. Enjoy quick drives to Limassol town (30 min), pristine beaches, and Limassol International Airport (35 min). Subject to VAT.
