Description
High-Value Residential Plot in G.S.P. Area – A Long-Term Investment for Family Living

Whether you are looking to build a custom sanctuary for your family or a smart investor seeking a land asset in a premium residential area, this large residential plot in the prestigious G.S.P. area of Strovolos offers the perfect blank canvas. Buying land in this established and elite neighborhood provides the ultimate freedom to bring your architectural vision to life, surrounded by a community that guarantees long-term value. This site is a high-value residential opportunity specifically suited for those who prioritize privacy, modern infrastructure, and the security of a long-term investment in one of Nicosia's most exclusive districts.

Ideal for Custom Family Living
Boasting a prime position in a serene and upscale environment, this property is primed for the development of a private custom home or multiple high-end housing units. With a 60% building density and 35% coverage ratio under the Ka8 planning zone, the focus here is on quality of life and spacious living. The zoning ensures an environment of low-density housing, making it an ideal choice for those looking for plots of land for sale in Strovolos that offer a sense of seclusion and space for large gardens and outdoor living areas, consistent with the luxury standards of the area.
