Description
For Sale Residential Land In Lakatameia, Nicosia
Discover an excellent opportunity to acquire a 595 m² residential plot in the highly sought-after municipality of Lakatameia, Nicosia. Currently under division, this well-proportioned plot offers an ideal setting for the construction of a modern family home while also representing an attractive investment in one of the capital's fastest-growing residential suburbs.
The property falls entirely within the Kα7 Residential Planning Zone (100%), offering favourable development potential with an 80% building density and 45% coverage factor. These planning parameters allow for the construction of a spacious detached residence, subject to obtaining the necessary planning permits and approvals. Development regulations permit construction of up to 2 floors with a maximum building height of 10 metres.
Its practical size and excellent planning characteristics make the property particularly suitable for families wishing to build a custom home or for investors seeking a quality residential asset in an area experiencing continuous growth and strong demand.
Situated in a convenient area of Lakatameia, the property enjoys immediate access to supermarkets, schools, cafés, bakeries, pharmacies, parks and all essential daily amenities. Excellent road connections provide quick access to Nicosia Mall, the motorway network, Strovolos and Nicosia City Centre, making everyday commuting effortless.
The property is situated approximately 1.5 km from Lakatameia Municipality Centre, 3.0 km from Nicosia Mall, 3.5 km from Anthoupoli Roundabout, 5.0 km from Strovolos, 7.0 km from Nicosia City Centre, 8.0 km from the University of Nicosia and approximately 47.0 km from Larnaca International Airport.
Being under division, this plot offers buyers the opportunity to secure a modern residential property in a well-established neighbourhood with excellent long-term appreciation potential.
