For Sale : **€ 350,000**

### Description

Build the foundation of your future with this exceptional residential corner plot of 539 sqm, situated in a prime location within Aglantzia. This property is where your vision takes shape, offering a serene and high-value environment for those who prioritize privacy, space, and a refined quality of life. Positioned in a central and well-connected area that bridges quiet suburban living with urban accessibility, this site provides a unique opportunity to create a private sanctuary or a custom-designed home in a neighborhood characterized by stability and steady demand.

### Family Living and Long-term Investment

Falling within the Kα6 residential zone, this asset is a prime choice for those focusing on family living and long-term investment. With a building density of 90% and a coverage factor of 50%, the land emphasizes a balanced living environment that allows for custom homes with generous proportions and significant outdoor area. These specifications allow for the construction of elegant residences across 2 floors with a maximum height of 10 metres, ensuring a low-density atmosphere that preserves the suburban character of the area. Investing in a corner plot with such favorable factors and registered road access ensures that your project remains a secure and solid asset for 3 decades of experience.
