Description
For Sale Agricultural Land In Palaiometocho, Nicosia
An excellent opportunity to acquire agricultural land in the rapidly developing community of Palaiometocho, Nicosia. Extending to 2,167 m², this property offers an attractive combination of peaceful rural surroundings, investment potential and proximity to the capital, making it an ideal choice for agricultural use or a long-term land investment.
The property falls entirely within the Γ3 Agricultural Planning Zone (100%) and benefits from a 10% building density and 10% coverage factor. These favourable planning parameters allow for the development of a traditional farmhouse, eco-friendly residence, agricultural support buildings or a countryside retreat, subject to obtaining the necessary permits and approvals. Development regulations permit construction of up to 2 floors with a maximum building height of 8.3 metres.
The land is currently landlocked, offering a peaceful and private setting surrounded by the natural countryside of Palaiometocho. Its generous size and favourable planning characteristics make it suitable for orchards, olive groves, vineyards or other agricultural activities while offering excellent long-term investment prospects.
Situated in a quiet rural area of Palaiometocho, the property enjoys easy access to nearby supermarkets, schools, bakeries, pharmacies and all essential daily amenities. Its strategic location also provides excellent connectivity to the Nicosia–Troodos motorway, ensuring quick access to Nicosia city centre and neighbouring communities.
The property is situated approximately 2.0 km from Palaiometocho Village Centre, 4.5 km from Kokkinotrimithia, 6.0 km from the Nicosia–Troodos Motorway, 8.0 km from the University of Nicosia, 9.0 km from Nicosia Mall, 10.0 km from Neo Plaza Shopping Centre and approximately 14.0 km from Nicosia City Centre.
Combining a generous land area, favourable agricultural planning parameters and an excellent location close to the capital, this property represents an outstanding opportunity for agricultural development or long-term investment.
