Description
Expansive Protection Field in Dora – Your Private Nature Sanctuary
The Foundation of Your Future
Imagine standing on 11,297m² of untouched landscape where the horizon meets the rugged beauty of the Limassol foothills. This massive field in Dora offers the ultimate freedom to own a significant piece of Cyprus's natural heritage—a blank canvas for those seeking absolute privacy and a deep connection to the land.

Limitless Potential
Primed for a low-impact vision, this property features a registered road for direct access and a clear title deed for a smooth transaction. Falling within Protection Zone Z1 with a 6% building density, it is ideal for a secluded eco-retreat or a strategic long-term hold in an area known for its authentic, traditional character.

Location & Neighborhood Benefits
Located minutes from Dora's historic center and the scenic Kordylas Nature Trail. This hidden gem offers mountain tranquility while remaining a short drive from Limassol's city comforts.
