Description

For Sale Land In Lefkara

Practical Agricultural Opportunity

Located in the scenic, traditional area of Lefkara in the Larnaca district, this expansive 4,348-square-meter agricultural field offers a highly practical opportunity for farming, cultivation, or specific rural projects. While it sits in a beautiful mountainous environment, it remains a solid, functional asset ideal for agricultural investors looking for manageable land acreage outside the city.

Zoning & Build Potential

This plot falls entirely within the Γα4 agricultural zone (100%). With a building density of 10% and a coverage factor of 10%, the land allows for specific, limited construction dedicated to its agricultural designation. The zoning permits structures up to 2 floors with a maximum height of 7 meters, giving you the necessary flexibility to erect functional structures to support your cultivation or farming needs.
