Description

For Sale Residential Land In Mazotos, Larnaca
Practical Development Opportunity

Located in the charming and developing area of Mazotos, Larnaca, this expansive 6,212-square-meter residential land offers a highly practical and lucrative opportunity for developers or investors. It is a solid, functional asset in a peaceful coastal community, making it the ideal blank canvas for constructing a comprehensive residential complex or a subdivision of custom homes.

Zoning & Build Potential

This substantial plot falls entirely within the H2 residential zone (100%), offering highly favorable development parameters for a project of this scale. With a strong building density of 90% and a coverage factor of 50%, the vast land area allows for significant construction volume. The zoning permits structures up to 2 floors with a maximum height of 8.3 meters, providing excellent flexibility and high yield potential for a major residential development.
