

For Sale, Land, Plot, Nicosia, Agios Andreas, 533m²

For Sale : **€ 130,000**

Description
For Sale Residential Land In Agios Andreas, Nicosia
Prestigious Central Development Opportunity
Located in the highly sought-after and historically elite neighborhood of Agios Andreas, Nicosia, this prime residential plot offers a rare and highly lucrative opportunity for developers, investors, or families looking to build. It is a phenomenal, solid asset in one of the capital's most distinguished urban environments, providing the perfect blank canvas for a luxurious custom home or an exclusive multi-unit residential project.
Zoning & Build Potential
This exceptional plot falls entirely within the Kα7 residential zone (100%), offering highly favorable and straightforward development parameters. With a strong building density of 80% and a coverage factor of 45%, the land provides significant construction volume and outstanding architectural flexibility. The zoning allows for elegant structures up to 2 floors with a generous maximum height of 10 meters, giving you exactly what you need to create a highly marketable, spacious residential design with premium elevated ceilings or architectural roof features.
