Description
For Sale Whole Floor Office In Strovolos,Nicosia
Strategic Corporate Investment in Strovolos
Experience an exceptional and highly practical commercial opportunity with this premium whole-floor office, strategically located in the high-potential, bustling commercial core of Strovolos, Nicosia. This property represents a top-tier corporate proposal, offering a solid, high-yielding, and highly functional asset for contemporary business operations or premium commercial investment. Housed on the 4nd floor of an impressive and modern 6-storey commercial landmark, the property is designed for corporations that demand the perfect balance of prestige, absolute operational autonomy, and seamless logistical connectivity. Its strategic position ensures a dynamic business environment, making it a secure choice in one of the capital's most established financial and corporate hubs.
Development Potential & High-Value Commercial Features
The property features a state-of-the-art, comfortable, and highly efficient working space, meticulously structured to meet rigorous contemporary corporate standards. Spanning an entire floor for maximum operational privacy, the space is intelligently split into two distinct functional units, sharing a grand, welcoming reception area that projects corporate excellence. Fully optimized for modern commercial operations and inclusive accessibility, the office features full disabled access, full split-unit air conditioning, high-performance double glazing for superior climate and acoustic isolation, a high-security entrance door, and an integrated video door phone system. The professional interior opens up to spacious covered verandas, providing premium outdoor breakout zones, and includes two dedicated parking spaces for absolute urban convenience.
