Description
For Sale 2 Bedroom Apartment In Latsia,Nicosia
Strategic Residential Investment in Latsia
Experience an exceptional and highly practical residential opportunity with this modern 2-bedroom apartment, strategically located in a high-potential and beautifully connected neighborhood in Latsia, Nicosia. This property represents a top-tier investment proposal, offering a solid, high-value, and highly functional asset for contemporary suburban living, long-term rental income, or a premium permanent residency. Housed within a sleek, contemporary residential block, the property is designed for individuals, couples, or families who demand the perfect balance of a peaceful residential setting and seamless connectivity to the capital's main highway systems and commercial nodes. Its strategic position ensures a smooth daily routine, making it a secure choice in one of Nicosia's most established, dynamic, and well-connected premium residential zones.
Development Potential & High-Value Residential Features
The property features a comfortable, modern, and highly efficient living space, meticulously designed to meet rigorous contemporary architectural and energy-efficiency standards. The layout hosts two spacious bedrooms and two pristine bathrooms, optimized for absolute daily convenience and premium comfort. Elevating its outdoor appeal, the residence boasts a private 35-square-meter garden alongside a beautiful covered veranda, offering a premier outdoor extension for private relaxation and fresh-air entertaining. Fully equipped for smart and secure lifestyle practicality, the apartment incorporates an advanced electronic door phone entry system, high-performance double glazing for superior thermal and acoustic insulation, an efficient solar water heater setup, and a high-performance pressured water system. This immaculate property further incorporates reliable elevator access, a private storage space, and a dedicated covered parking area, ensuring a highly practical residential environment with immediate access to premium capital infrastructure.
