Description

For Sale Semi-Detached House Of 3 Bedrooms With Mountain View In Politiko, Nicosia

Strategic Residential Investment in Politiko

Experience an exceptional and highly practical residential opportunity with this modern 3-bedroom semi-detached house, strategically located in the picturesque, high-potential foothill district of Politiko, Nicosia. This property represents a top-tier investment proposal, offering a solid, high-value, and highly functional asset for serene countryside living, a peaceful family holiday retreat, or a steady long-term rental income. Built across two spacious floors, the residence is masterfully designed for families or professionals who demand the perfect balance of fresh countryside air, breathtaking panoramic mountain views, and absolute daily comfort. Its strategic position ensures a seamless routine, making it a secure choice for those looking to secure a beautiful, energy-efficient home in one of Nicosia's most scenic, historic, and culturally rich hillside zones.

Development Potential & High-Value Residential Features

The property features a comfortable, well-structured, and highly efficient living space spanning two functional levels, meticulously designed to meet rigorous contemporary architectural and sustainability standards. The layout hosts three spacious bedrooms and two pristine bathrooms, optimized for absolute daily convenience and premium family privacy. Fully equipped for an eco-friendly and premium lifestyle, the home incorporates an installed private photovoltaic panel system for minimized energy costs, a high-performance pressured water system, and double glazing throughout for maximum thermal and acoustic insulation. Elevating its outdoor appeal, the residence is surrounded by a beautifully landscaped garden and relaxing verandas, creating the ultimate open-air extension to take in the stunning mountain vistas and enjoy a relaxed rural lifestyle.
