Description

For Sale Detached House Of 3 Bedrooms In Ergates, Nicosia

Strategic Residential Property Investment in Ergates

Experience a practical and highly versatile real estate opportunity with this 3-bedroom detached house, strategically located in the expanding and peaceful suburban community of Ergates, Nicosia. Originally constructed in 1975, this property represents an excellent value proposition, offering a solid foundation for contemporary renovation, customization, or long-term investment holding. Designed for families, private buyers, or selective investors who seek a balanced rural lifestyle away from intense urban congestion while remaining securely connected to capital infrastructure, the property stands ready for its next chapter. Its strategic position ensures a smooth daily routine, making it a reliable choice in a highly tranquil and authentically traditional residential zone of the wider Nicosia district.

Development Potential & Practical Residential Features

The property features a comfortable and well-distributed layout across a single level, providing an excellent canvas to create a bespoke modern home. The interior hosts three spacious bedrooms and one full bathroom, configured to support functional daily routines. Offered completely unfurnished, it allows new owners the complete creative freedom to remodel and style the interiors entirely to their specifications. The generous plot introduces notable auxiliary infrastructure: it hosts a small private storage room ideal for tools and equipment, alongside another separate, elongated auxiliary building. Please note that while the main residence is established, these specific secondary outbuildings do not hold independent title deeds. The property is completed by a dedicated private parking spot for secure vehicle placement.

Extensive Property Features

Property Type: Detached Residential House

Year of Construction: 1975 (Excellent renovation or modernization potential)
