Description
For Sale Under-Construction 2 Bedroom Apartment in Strovolos, Nicosia
Discover modern living at its finest with this exceptional under-construction 2-bedroom apartment for sale in the highly desirable area of Strovolos, Nicosia. Combining contemporary design, energy-efficient features, and a prime residential location, this property presents an excellent opportunity for both homebuyers and investors seeking a stylish and future-proof residence in one of the capital's most sought-after neighborhoods.
Designed to meet the demands of modern lifestyles, the apartment features a spacious open-plan kitchen seamlessly connected to the living and dining areas, creating a bright and welcoming environment ideal for everyday living and entertaining. Large openings allow abundant natural light to flow throughout the property, enhancing the sense of space and comfort while creating a warm and inviting atmosphere.
Built with attention to detail and quality construction standards, this contemporary residence offers practical living spaces designed to maximize comfort and functionality. The covered veranda provides the perfect extension of the indoor living area, allowing residents to enjoy outdoor relaxation throughout the year while maintaining privacy and convenience.
The apartment also benefits from a private storage room and covered parking space, adding practicality to daily life. An important advantage of this property is the installation of a photovoltaic system, contributing to lower energy costs, improved sustainability, and increased long-term value. These modern energy-efficient features make the property an attractive option for environmentally conscious buyers looking for reduced operating expenses.
Located in one of Strovolos' most convenient residential areas, the property enjoys immediate access to supermarkets, schools, pharmacies, bakeries, cafes, restaurants, banks, and a wide range of everyday amenities. Its strategic location also provides excellent road connections to the city center and surrounding districts, making commuting easy and convenient.
