Description

For Sale 2 Bedroom Apartment In Dali, Nicosia
Strategic Residential Investment in Dali

Experience an exceptional and high-potential real estate opportunity with this modern 2-bedroom off-plan apartment, strategically located in a rapidly growing, highly demanded, and beautifully connected family neighborhood in Dali (Idalion), Nicosia. This property represents a top-tier investment proposal, offering a solid, high-value, and remarkably structured asset for contemporary suburban living, consistent long-term rental income, or a premium permanent residency. Housed on the 2nd floor of a sleek, contemporary 2-story residential building, this apartment is designed for professionals, young couples, or families who demand the perfect balance of a peaceful suburban setting, structural autonomy, and seamless connectivity to the capital's main highway systems and commercial nodes. Its strategic position ensures an efficient daily routine, making it a secure, forward-looking choice in one of Nicosia's most established and rapidly developing expansion zones.

Development Potential & Advanced Energy Efficiency

Purchasing off-plan grants the exceptional advantage of capturing early-stage pricing and securing immediate capital equity upon the project's completion, while allowing for tailored interior selections. Being situated on the 1st floor of an intimate, low-rise 2-story building ensures enhanced privacy, quieter community living, and lower building footprint densities. The layout hosts two spacious bedrooms and two pristine bathrooms, meticulously optimized for absolute daily convenience, privacy, and premium comfort. Setting a new benchmark for sustainable, cost-effective living, the apartment incorporates a private, high-performance photovoltaic panel network and an efficient solar water heater setup. This advanced infrastructure drastically reduces building electricity consumption and utility expenditures while boosting its modern eco-credentials.

Smart Utilities & Secure Lifestyle Infrastructure

The apartment features a fluid, open-plan indoor flow that transitions seamlessly to a comfortable covered veranda, creating an ideal setting for private relaxation. Delivering a fully equipped, smart, and secure living environment, the residence integrates full split-unit air conditioning, an advanced electronic door phone entry system, and a comprehensive building CCTV surveillance system to ensure absolute peace of mind. This immaculate property further incorporates reliable elevator access and a dedicated covered parking space on-site, providing immediate access to premium suburban infrastructure.
