Description

For Sale Mixed- Use Entire Building In Latsia,Nicosia
Strategic Mixed-Use Landmark Investment in Latsia

Experience an exceptional and high-yield real estate opportunity with the acquisition of this entire standalone mixed-use building, strategically located in a maximum-visibility, high-demand, and beautifully connected commercial artery in Latsia, Nicosia. This property represents a top-tier investment proposal, offering a solid, high-value, and remarkably functional landmark for institutional funds, private investors, or corporate entities seeking multi-stream rental revenues. Comprising an optimized combination of 4 commercial shops on the high-exposure ground level and 4 residential apartments across the upper living quarters, this standalone asset guarantees a highly resilient, diversified financial return. Its commanding position ensures premium market presence and effortless access to major arterial routes, making it a secure, blue-chip addition to any prominent property portfolio.

Development Structure & High-Capacity Asset Infrastructure

The building is smartly structured across 2 expansive floors, offering an exceptionally balanced footprint designed for long-term commercial durability and tenant satisfaction. The ground floor features 4 spacious retail showrooms/shops boasting impressive glass road frontage, designed to maximize retail display authority, client footfall, and business exposure. The upper level hosts 4 comfortable, highly functional residential apartments, perfectly suited for corporate professionals, families, or premium rental suites. Delivered completely unfurnished, the entire building stands as a highly adaptable canvas, allowing immediate tenant customization, corporate branding integration, or tailored fit-outs.

Operational efficiency is masterfully preserved by a generous allocation of secure covered parking spots dedicated to the building's occupants and visiting clientele. Each unit further transitions into private covered verandas, creating excellent architectural balance, comfortable ventilation, and necessary outdoor breakout spaces within a prominent urban framework.
