Description

For Sale Detached House Of 3 Bedrooms In Panagia, Nicosia

Established Standalone Residential Property in Panagia

Experience an authentic and highly practical residential opportunity with this traditional 3-bedroom detached house, built in 1982 and strategically located in the established, historic, and beautifully connected district of Panagia, Nicosia. This property represents a rock-solid, high-value investment proposal, offering an expansive standalone footprint for families, retro design lovers, or buyers targeting a spacious home to update with contemporary personal finishes. Standing completely autonomous with zero communal restrictions, this classic residence ensures maximum layout flexibility and absolute structural privacy. Its strategic position within Nicosia's urban core guarantees a highly functional daily routine, making it an excellent, affordable choice for permanent residency or long-term rental placement in a timeless, high-occupancy neighborhood.

Solid Conventional Layout & Practical Family Living

The property features a comfortable, classic, and remarkably functional 1982 living layout, meticulously built with the robust, enduring construction standards of its era. The standalone floor plan hosts three well-proportioned bedrooms and three full bathrooms, configured to support hassle-free household logistics and premium family convenience. Offered fully furnished with traditional interior pieces, the home is entirely functional for immediate move-in while presenting a fantastic structural canvas for future renovation or modernization.

The main living quarter features an inviting separate floor layout highlighted by a cozy traditional fireplace—creating a classic and warm family centerpiece for the winter months. Fully tailored for year-round practical comfort, the home is equipped with a functional central heating system alongside split-unit air conditioning.

Enduring Construction Features & Mature Garden Grounds

The home is structurally enhanced with double glazing windows, boosting its everyday thermal efficiency, sound insulation, and comfort within the city. Everyday organization is easily managed with a dedicated secure storage room and a private covered parking bay on-site. Embracing traditional outdoor living, the interior spaces transition smoothly to spacious covered verandas, looking out onto a mature, landscaped private garden. This private green area provides a safe, peaceful exterior space for children, outdoor cooking, and relaxed family gatherings.
