Description

Under-Division Residential Plot for Sale in Pano Deftera, Nicosia
Discover an excellent opportunity to acquire an under-division residential plot in the growing residential area of Pano Deftera, Nicosia District. Offering excellent planning characteristics and a convenient location, this property is ideal for building a modern family home or securing a valuable long-term real estate investment in Cyprus.
The property is situated approximately 130 meters east of Machaira Avenue and approximately 1 km south of the village centre of Pano Deftera, providing easy access to Nicosia and the surrounding areas.
The plot extends to 646 m² and will benefit from frontage on a registered public road upon completion of the subdivision works, ensuring excellent accessibility and future development value.
The surrounding area consists of undeveloped land parcels together with a number of modern residential developments, creating a peaceful environment with strong prospects for continued growth.
The property falls within Residential Planning Zone H3, offering a 60% building density, 35% coverage ratio, permission for up to 2 storeys, and a maximum building height of 8.3 meters. These favourable planning characteristics make it ideal for the construction of a spacious family residence or a quality residential development.
The sale price is subject to VAT.
Pano Deftera is one of the most desirable residential communities close to Nicosia, offering excellent access to schools, supermarkets, shops, and all essential amenities while maintaining a peaceful suburban lifestyle. This property represents an outstanding opportunity for both homeowners and investors seeking long-term value.
Don't miss this exceptional opportunity.
