Description
For Sale 3 Bedroom Penthouse Under Construction In Strovolos, Nicosia
Discover an exceptional opportunity to acquire a contemporary three-bedroom penthouse under construction in the highly desirable residential area of Strovolos, Nicosia. Designed to meet the needs of modern families and discerning homeowners, this exclusive residence combines spacious interiors, energy-efficient technology and premium outdoor living in a convenient central location.
The penthouse features a thoughtfully designed layout with generous living and dining areas that extend onto a spacious covered veranda, while a private roof garden provides the perfect setting for outdoor entertaining, family gatherings or relaxing while enjoying panoramic views of the surrounding area. Its three well-appointed bedrooms offer comfortable and private accommodation, making the property ideal as a permanent family residence or a high-value investment.
Energy efficiency and year-round comfort are central to the property's design. The penthouse is equipped with photovoltaic panels, helping to reduce electricity consumption and long-term operating costs. It also includes provision for air-conditioning units and provision for a heat pump underfloor heating system, allowing future owners to enjoy exceptional comfort throughout every season.
A covered parking space is included, offering security and convenience, while the exclusive roof garden significantly enhances the property's lifestyle appeal, creating an additional outdoor living area rarely found in apartment living.
Situated in an established residential neighbourhood, the penthouse enjoys immediate access to schools, supermarkets, pharmacies, cafés, restaurants and all everyday amenities. Its central location provides excellent connectivity to Strovolos Avenue, Athalassas Avenue, Nicosia City Centre and the capital's main road network.
Based on the property's coordinates, it is located approximately 1.4 km from Strovolos Municipal Theatre, 2.5 km from the European University Cyprus, 3.6 km from Eleftheria Square, 3.7 km from the University of Nicosia, and 4.8 km from The Mall of Engomi.
Combining modern architecture, premium energy-efficient features, generous outdoor areas and an exclusive roof garden, this penthouse represents an outstanding opportunity for buyers seeking luxurious living in one of Nicosia's most desirable residential locations.
