Description

For Sale Office In Nicosia

Establish your corporate presence with this exceptional whole-floor office suite for sale in the prime commercial heart of Nicosia. Positioned on the 2nd floor of a well-maintained corporate center, this spacious floor layout underwent a total modernization and renovation in 2020. Delivering high architectural aesthetics combined with heavy-duty IT infrastructure, this property represents a turn-key operational asset for international audit firms, legal practices, tech hubs, or high-profile corporate agencies requiring an immediate footprint in the capital's central business district.

High-Functionality Executive Footprint & Spatial Layout

Every square meter of this commercial floor has been intelligently zoned to manage high-volume client arrivals while maintaining internal team privacy:

Dedicated Reception Pavilion: Features a welcoming, high-impact reception foyer at the main entrance to greet clients and direct internal traffic effortlessly.

5 Independent Executive Suites: Divided into 5 separate private rooms (ideal for executive offices, boardrooms, client presentation suites, or department team pods).

Turnkey Furnished Canvas: Fully outfitted with modern executive desks, ergonomic chairs, and custom boardroom setup—making it completely furnished and ready for immediate business operations without post-purchase friction.

Dedicated Server Room: Includes an independent, climate-controlled server room engineered to keep your corporate IT infrastructure, networking racks, and digital hardware safe and organized.

Internal Support Facilities: Outfitted with 1 executive WC facility and a private staff kitchenette for daily office catering and coffee breaks.

Architectural Finishes, Climate Engineering & Office Automation

Premium Parquet Flooring: Outfitted with durable, elegant parquet flooring across all private suites and hallways, elevating the overall professional aesthetic.

Acoustic Suspended Ceilings: Outfitted with professional suspended ceilings featuring integrated recessed lighting, facilitating easy cable routing and maintaining superior acoustic insulation across all rooms.

Light Control & Blackout Blinds: Fitted with heavy-duty blackout blinds on external glass facades, guaranteeing light management for digital presentations and maintaining thermal efficiency.

Total Climate Engineering: Fully outfitted with high-capacity air conditioning climate units across all offices for rapid cooling during summer and uniform warmth in winter.

Secure Logistics & Rare Urban Parking Provisions

Exceptional Vehicle Logistics: Includes 5 allocated parking spots assigned directly to the unit—a crucial and exceptionally rare asset in central Nicosia that guarantees hassle-free parking for executives and visiting VIP clients.

Vertical Mobility: Served by a smooth, modern, and secure elevator system, ensuring easy, step-free access from the ground-level parking straight up to your 2nd-floor private office.
