For Sale : **€ 220,000**

Description
Corner Residential Plot for Sale in Agios Vasileios, Strovolos, Nicosia
A privileged corner residential plot is available for sale in Agios Vasileios, Strovolos, within a well-established and highly desirable residential area of Nicosia. The property is an excellent option for the construction of a private residence or a modern residential development.
The plot extends to approximately 503 m² and benefits from access to registered public roads. Its corner position provides increased road frontage, enhanced natural light, and greater architectural flexibility when designing a future development.
The property falls within Residential Planning Zone Kα6, with a 90% building density, 50% coverage ratio, permission for up to two floors, and a maximum building height of 10 metres. These planning characteristics offer substantial development potential, subject to the relevant planning and building regulations.
It enjoys a convenient location near the American Heart Institute and Konstantinoupoleos Primary School, with easy access to schools, supermarkets, shops, services, restaurants, and the main road network connecting Strovolos with central Nicosia.
A title deed is available, ensuring a secure and straightforward transfer process. This is an attractive opportunity for buyers seeking residential land in Strovolos, whether for private development or as a promising long-term property investment.
