Description

For Sale Detached House Of 4 Bedrooms In Strovolos, Nicosia

Grand Detached Executive House with Architectural Plans for 2 Independent Maisonettes (One with Pool)

Step into an extraordinary standard of suburban living and versatile investment potential with this imposing 4-bedroom detached house for sale in the prestigious municipality of Strovolos, Nicosia. Spanning 2 impeccably planned floors plus a spacious attic level, this unfurnished residence sits on a generous plot and combines classic architectural elegance with spacious outdoor living. Uniquely offering ready architectural plans to redevelop the plot into 2 completely independent maisonettes (one including a private swimming pool), this property represents an absolute premier acquisition for multi-generational executive families or visionary developers seeking a flexible, high-value asset in the capital's most affluent residential district.

Expansive Interior Footprint & Multi-Level Layout

Designed for grand entertaining and effortless domestic harmony, every square meter of this sprawling residence is masterfully proportioned:

Voluminous Living & Fireplace Pavilion: Features a sweeping open-plan lounge and formal dining hall highlighted by a cozy feature fireplace, creating a warm and sophisticated ambiance for winter family gatherings.

Optimal Resting Suites & Attic: Accommodates 4 spacious bedrooms with generous built-in wardrobe storage, plus a private attic level ideal for a 5th bedroom, game room, or quiet creative studio.

Sanitary Comfort: Includes 3 pristine bathrooms, with the master bedroom privileged by a private en-suite shower for ultimate owner privacy.

Unfurnished Blank Canvas: Offered unfurnished, allowing the buyer total freedom to customize interior decor, bespoke furniture, and high-end finishes to personal taste.

Resort-Style Outdoor Living & Architectural Development Potential

Architectural Plans Included: Sold together with approved architectural plans for 2 independent maisonettes to be built on the property footprint, with one of the planned maisonettes featuring a private swimming pool—offering immense flexibility for future construction, resale, or multi-family living.

Curated Landscaped Garden: The current detached house is wrapped in a mature landscaped garden with lush lawns and local flora, offering a private, tranquil outdoor sanctuary.

Entertainment Barbeque Zone: Features a dedicated outdoor barbeque area seamlessly connected to deep covered verandas, perfect for alfresco dining and weekend hosting.

Climate Engineering, Logistics & Storage

Total Climate Control: Fully outfitted with high-performance air conditioning split units across all living zones, bedrooms, and attic spaces.

Secure Parking & Dedicated Storage: Includes private covered parking bays alongside a secure storage room to keep household belongings neatly organized.
