Description
For Sale 2 Bedroom Penthouse Under Construction In Agioi Omologites, Nicosia
Discover an exceptional opportunity to own a 2-bedroom penthouse under construction in the prestigious area of Agioi Omologites, Nicosia. Designed with contemporary architecture, premium construction standards and outstanding energy efficiency, this elegant penthouse is ideal for families, professionals and investors seeking a modern residence in one of the capital's most desirable central locations.
The penthouse features bright and spacious open-plan living and dining areas, enhanced by large glazed openings that maximise natural light and create a welcoming atmosphere throughout the home. The interior flows effortlessly onto a covered veranda, offering the perfect setting for outdoor dining, entertaining guests or simply relaxing while enjoying the elevated privacy and pleasant Mediterranean climate that a penthouse residence provides.
Built to Energy Efficiency Class A, the residence has been thoughtfully designed to minimise energy consumption while maximising year-round comfort. The penthouse is equipped with a video door phone system, ensuring enhanced security and convenience for residents.
The development has been carefully designed with future-ready technology, including provisions for an electric vehicle charging point in the covered parking area. In addition, a photovoltaic system will be installed to serve the common areas, improving the building's overall energy efficiency. Buyers also have the option to install a private photovoltaic system with exclusive roof rights, subject to the mechanical study and at an additional cost, providing even greater sustainability, energy independence and long-term savings.
Situated in one of Nicosia's most sought-after residential neighbourhoods, the property enjoys immediate access to business centres, cafés, restaurants, supermarkets, schools and all essential amenities. Based on the property's coordinates, it is located approximately 0.7 km from Makarios Avenue, 1.0 km from the Ministry of Finance, 1.4 km from Eleftheria Square, 1.8 km from the University of Cyprus City Centre Facilities and 2.2 km from the European University Cyprus, making it an outstanding choice for both owner-occupiers and investors.
Whether you are searching for an exclusive family residence or a premium investment in a prime central location, this contemporary penthouse combines sophisticated design, innovative technology and exceptional long-term value.
