Description

For Sale Agricultural Plot In Mitsero, Nicosia

Expansive Rural Land Asset in Nicosia's Peaceful Countryside Corridor

Secure an outstanding large-scale land asset with this expansive agricultural field for sale in the tranquil municipality of Mitsero, Nicosia. Spanning an impressive total area of 4,014 sq.m. with a 100% allocation inside the official Z1 Protection / Agricultural Planning Zone, this property offers an ideal canvas for agricultural projects, eco-friendly land utilization, strategic landbanking, or private countryside retreat development. This parcel represents an exceptional acquisition choice for investors seeking a substantial land holding in a scenic, unspoiled natural environment.

Official Planning Parameters & Agricultural Zoning (Zone Z1 100%)

Operating under official agricultural and environmental protection planning regulations, the land features clear technical specifications:

Total Land Area: 4,014 sq.m. — A continuous, sprawling footprint providing complete freedom for private rural projects, agricultural cultivation, or long-term investment.

Planning Zoning: Z1 (100% Protection / Rural Ratio) — Fully designated for agricultural use and natural landscape preservation.

Maximum Building Density (Building Destiny): 6% — Yields a potential build footprint of up to 240.84 sq.m. of total gross interior build area for permitted agricultural structures or utility outbuildings subject to relevant planning approvals.

Maximum Coverage Factor: 6% — Permits up to 240.84 sq.m. of ground-level structural coverage, ensuring that 94% of the land remains entirely open for farming, tree planting, or natural open space.

Structural Thresholds: Officially permits structures up to 2 Storeys Max with a height clearance of 8.3 Meters.
