Description
For Sale 2 Bedroom Apartment Under Construction In Lakatameia, Nicosia
Discover an exceptional opportunity to own a 2-bedroom apartment under construction in the rapidly developing area of Lakatameia, Nicosia. Designed with contemporary architecture, premium construction standards and a strong emphasis on energy efficiency, this modern residence is ideal for families, professionals and investors seeking a high-quality property with excellent long-term value.
The apartment offers bright and spacious open-plan living and dining areas, thoughtfully designed to maximise both comfort and functionality. Large glazed openings allow abundant natural light to fill the interior while providing direct access to the covered veranda, creating the perfect setting for outdoor dining, relaxing or entertaining guests.
Constructed to Energy Efficiency Class A, the apartment provides excellent thermal insulation, reduced energy consumption and lower running costs throughout the year. Every detail has been carefully considered to deliver a modern and sustainable lifestyle.
The property includes provisions for air conditioning units, data, telephone and television connections, allowing homeowners to personalise the residence according to their needs while ensuring complete connectivity. In addition, the apartment benefits from a covered parking space and a private storage room, offering valuable convenience and extra storage capacity.
Designed with the future in mind, the development also includes provisions for an electric vehicle charging point, making it an ideal choice for environmentally conscious homeowners and adding further value to this contemporary residence.
Located in one of Lakatameia's most convenient residential neighbourhoods, the apartment enjoys easy access to schools, supermarkets, cafés, restaurants, pharmacies and all essential amenities. Based on the property's coordinates, it is situated approximately 1.0 km from Nicosia Mall, 1.8 km from Anthoupolis Roundabout, 2.4 km from Cyprus Expo, 3.6 km from the University of Nicosia, and 6.8 km from Eleftheria Square, providing excellent connectivity to both the city centre and the wider Nicosia area.
Whether you are searching for your future home or an excellent investment opportunity, this modern apartment under construction combines premium specifications, energy-efficient living and a highly desirable location.
