Description

For Sale Residential Field in Agia Varvara, Nicosia

G&P Lazarou Estate Agents proudly presents this excellent opportunity to acquire a 50% share of a residential field in the peaceful and continuously developing community of Agia Varvara, Nicosia. Offering an ideal combination of development potential, accessibility, and a desirable residential setting, this property is an outstanding investment opportunity for private individuals, developers, or investors looking to build in a well-connected area just outside the capital.

The residential field has a total registered area of 2,199 sq.m., with the vendor offering for sale their 50% share, corresponding to approximately 1,099 sq.m. The property benefits from a registered public road, ensuring convenient access and adding significant value for future residential development.

Situated within the Kα6 Residential Planning Zone (100%), the property enjoys a building density of 90% and a coverage factor of 50%, allowing excellent development potential in accordance with the applicable planning regulations.

Agia Varvara is a highly desirable residential village that offers a peaceful lifestyle while remaining within easy reach of Nicosia and the island's main road network. Its combination of tranquillity, accessibility, and ongoing residential growth makes it an attractive location for both homeowners and investors.

Whether you are looking to secure land for future residential development or expand your investment portfolio, this property presents a valuable opportunity in an increasingly sought-after area.
