Description

For Sale Residential Field in Dali, Nicosia

G&P Lazarou Estate Agents proudly presents this residential field for sale in Dali, Nicosia, offering an excellent opportunity for residential development or long-term investment in an established and continuously developing area.

The field extends to a generous 1,858 sq.m. and falls entirely within the Kα8 Residential Planning Zone (100%). It benefits from a 60% building density and 35% coverage factor, allowing for development of up to 2 floors with a maximum permitted height of 10 metres. These planning characteristics provide considerable flexibility for residential development, subject to the necessary planning and building permits.

With its substantial size and residential zoning, the property presents attractive possibilities for developers, investors, or private buyers looking to create a residential project in the wider Dali area. Its location provides convenient access to the surrounding residential neighbourhoods, everyday amenities, and the main road network connecting Dali with Nicosia and neighbouring communities.

Dali is a well-established residential area offering schools, supermarkets, pharmacies, cafés, restaurants, and essential services, while its strategic position provides convenient connections towards Nicosia, Latsia, Nisou, and the motorway network.
