Description

For Sale 3-Bedroom Apartment Under Construction in Lakatameia, Nicosia

G&P Lazarou Estate Agents proudly presents this modern 3-bedroom apartment under construction in Lakatameia, Nicosia, offering contemporary design, energy-conscious features, and excellent provisions for comfortable modern living in one of Nicosia's most established residential areas.

The residence has been designed with functionality and everyday comfort in mind, featuring three spacious bedrooms and well-planned living areas suitable for families, couples, or professionals seeking a brand-new home in a convenient location.

Particular attention has been given to the property's energy efficiency and future-ready specifications. The apartment includes provision for photovoltaic panels, allowing the future owner to benefit from renewable energy and potentially reduce household electricity consumption.

For year-round comfort, the residence features electric heating, while electrically operated shutters provide additional convenience, privacy, and control over natural light.

The property is also prepared for the growing requirements of electric mobility, with provision for electric vehicle charging, allowing the future installation of an EV charging point.

Located in Lakatameia, the apartment benefits from easy access to supermarkets, schools, pharmacies, cafés, restaurants, shops, and other essential services. The area offers excellent road connections towards Nicosia city centre, Strovolos, Engomi, and the wider motorway network, making it a practical choice for everyday commuting.

Combining three bedrooms, brand-new construction, photovoltaic provisions, electric heating, electric shutters, and provision for EV charging, this apartment represents an excellent opportunity for buyers looking for a modern and future-ready residence in Lakatameia.
