For Sale : **€ 190,000**

Description
Just back from the coastline at Agia Marina, in the Chrysochous area of Paphos, this large residential field pairs the nearness of the sea with the gentle rhythm of village life.

Covering 14,047 m² in a relaxed rural setting, the land lies in a residential zone and offers room for a home close to the coast. Supermarkets and shops are within walking distance, and the Ayia Marina Reservoir is a short drive away for time spent in nature. Picture mornings that begin near the shore and days shaped by the easy pace of the village.

The land has no direct road access. The sale is of a 6700/14047 share of the field, which corresponds to a defined part of it, and a distribution agreement is in place.

With the sea close by and the village around it, this is residential land whose appeal begins with its setting on the Paphos coast.
